

2025 CLONE 220 CHENIN BLANC

OKANAGAN VALLEY BC VQA

Our Distinction Collection offers enthusiasts handcrafted, experimental wines that fine-tune combinations of varieties, clones, rootstocks and winemaking techniques. Like the pattern of a quail's egg of which no two are alike, each batch of wine is unique and bottled in small lots.

From its Loire Valley origins in France to the Okanagan Valley, this grape has flourished on our estate vineyard for more than 20 years. This exclusive Chenin release comes in small batches and is delicately fermented and partially aged in a concrete egg for added complexity and depth.

CLONE 220

VINEYARD | Quails' Gate Estate Vineyard
WEST KELOWNA

BLOCK | F2B2
3.4 ACRES

PLANTED | 1997
26 YEARS OLD

WINEMAKING

Whole-cluster pressed, with free-run juice fermented 40% in concrete eggs, 60% in neutral French oak for three months with battonage to build texture and concentration.

ALCOHOL: 13%
RESIDUAL SUGAR: 1.2 g/L

pH: 3.32
ACIDITY: 6.14 g/L

TASTING

A well-structured wine, with a bright citrus forward palate of lime zest, clementine, and nectarine balanced with tropical guava and a slaty minerality. Multifaceted from the integration of oak and concrete, with a lengthy saline-driven finish.

PAIRING

With citrus and tropical fruits balanced with intense minerality, this wine is universally friendly to seafood, from fresh oysters and cucumber mignonette to poached halibut almandine, or whole roasted trout with citrus and fines herbs.

Made in limited quantities.

Enjoy now through 2032.
